

Dr. Pamela Gerali is a visionary and pioneer in personal growth and transformation. She shares life-changing experiences and insights with clarity and humor, captivating readers, audiences and clients with wisdom and practical guidance from the **Blueprint for the Human Spirit®**, her holistic model for conscious, compassionate living.

Pamela, a Registered Nurse with a Master's Degree in Public Health and a Doctorate in Holistic Health Sciences, has extensive and progressive leadership experience with nonprofit health organizations. She is uniquely qualified to present teachings from the **Blueprint** since it evolved in harmony with her transformation. Her life-changing experiences, combined with a background in health and natural healing, allow her to speak from the heart with authority. She is multitalented and wears many hats literally and figuratively as an empowering speaker, inspiring author, holistic lifestyle consultant and change agent.

Tools for Transformation: With amazing insight, creative talents and leadership expertise, Pamela inspires others to live authentically and purposefully in alignment with their inner truth and unique gifts. Her services and resources include:
